

### Chairman's Column

Last month, on November 10, 17 of our members joined a large group at the annual API joint societies luncheon, downtown at the Roosevelt Hotel. Unfortunately, I was out of town and unable to attend; however, I understand that Professor Eric Smith from Tulane delivered an interesting and informative talk.

This month, on December 15, we will have our "no speaker" meeting back at the regular venue; i.e. Andrea's in Metairie. Bring your gripes (there should be plenty), jokes and any other comments you want to get off your chest. But mainly come to enjoy good fellowship, libations, and a good meal!

I recently received a letter from Peter Fos, the president of UNO, thanking us for the \$2500 gift to the Department of Earth and Environmental.

We need speakers for next year; any suggestions are welcome!
