## Crawfish Boil!

### Chairman's Column

At last month's meeting, Spencer Dussouy, a reservoir engineer with the Bureau of Ocean Energy, discussed the agency's activities involving the offshore industry. Spencer's appearance was a "first" for our chapter, since he is the grandson of longtime member, Paul Perret.

This month, as most of you probably already know, we will have a change of pace. Instead of the usual luncheon at Andrea's, we will have a crawfish boil, in the same time frame, just down the street at the Harbor Bar and Grill. Eric Broadbridge and Carlo Christina suggested this event as a way to recruit new members for SIPES-NOC. With three membership categories, there should be a number of qualified people in this area. Each member is encouraged to bring a potential new member as a guest. Every year we seem to lose 3-4 members, while adding one or two, so we need to try to change the ratio. Who knows, there may be a new Chairman out there!
