

## Chairman's Column

Last month, the annual "no speaker" lunch was an enjoyable event, although the attendance was lower than normal for some reason.

This month, Chris McLindon will give us an update on the "fault/subsidence" project which he has been spearheading, along with UNO, for some time. He has received significant data and funding contributions recently, which he will discuss.

Our chapter has made a donation to the SIPES Foundation in memory of three members whom we lost last year, namely, Jesse Rafidi, Rudy Siegert and Ray Stephens.

Dues notices have gone out for the spring session. They are due by February 1, 2016.

The meeting dates for the remainder of the spring are as follows:

January 19  
February 16  
March 15  
April 19  
May 17 (Evening)

Longtime member, Frank Rogers is currently recovering from hip surgery. Frank has been a regular at our meetings and we wish him a speedy recovery!

## Chris McLindon

Coastal Restoration in light of the geology of New Orleans and surrounding area: UPDATE!

**Tuesday, January 19th**  
**Andrea's - Metairie**

**Registration & Networking - 11:30 AM**  
**Lunch and Talk - Noon**

**Reservations and guests: Carol St. Germain - 504-267-3466**

**Chris McLindon** received a B.S. in Geology degree from L.S.U. in 1979. He has been employed as an exploration geologist in the oil and gas industry in New Orleans since graduation, including eight years of self-employment. Throughout the course of his career Mr. McLindon maintained a very strong interest in the processes of the Mississippi River and its current and historical delta. He has actively researched the subject throughout his career with periods of scientific investigation and evaluation. All of the research and scientific evaluation included in this presentation were undertaken during periods of self-employment. All of the content and opinions expressed in the presentation are solely those of Chris McLindon, and he is not acting as a representative of any entity other than himself.
