Society of Independent Professional Earth Scientists  
April 2017

## Crawfish Boil!

### Chairman's Column

Last month, we had another well attended meeting, with 42 members and guests hearing an excellent talk by Ben Broussard with LOGA. Ben's presentation covered numerous energy related topics, with many statistics and related facts.

This month we have a change of pace, with our 2nd annual crawfish boil/membership drive meetings at the Harbor Bar & Grill, just down the street from Andrea's, on 17th street. Potential members are free. Last year's event produced a number of new members and Eric is continuing to process new membership applications. In the March SIPES Quarterly, our chapter had the most (5) new members listed, for any chapter.

I received notice from SIPES National, that starting with the May issue, the Quarterly will be sent out only in digital form. This is a financial "belt tightening" move to save approximately \$12,000 a year. As several other chapters intend to do, we will probably print a handful of copies, from the Email PDF, for distribution to members who still would like a printed version. Last month, I mistakenly indicated that the feature article by Art Johnson and Tom Klekamp would be in the March issue. It will be in the May Quarterly!

National Dues notices have been sent out – please respond. Remember to be a full or limited member of a chapter, you must be in good standing with SIPES National.

Our last meeting of the current session will be the May evening dinner, on May 16, 2017.

*Louis E. Lemarié*

New Orleans Chapter of  
**Society of Independent Petroleum Earth Scientists**  
presents its  
**2nd Annual Membership Drive Crawfish Boil**

Think you can't join?, think again....  
You more than likely will fit one of these membership categories:

1) Full 2) Limited 3) Affiliate
