

New Orleans Chapter Newsletter

Society of Independent Professional Earth Scientists
April 2018

Chairman's Column

Last month, we had the largest attendance in a long time, with 55 members and guests present to hear Kevin McMichael's excellent talk on the McMoran "Highlander" discovery in St. Martin Parish.

This month we will be holding the 3rd annual "membership crawfish boil at the Harbor Bar and Grill on 17th Street, just a couple of blocks from Andrea's. As in the past, prospective members can attend at no cost, but they should be sponsored by a member. This policy is in effect for every meeting, except the May Dinner. Since we need to give the Harbor as accurate a number as possible, please let Carol know if you plan to be there and if you will bring a prospective member or other guests.

Last month I mentioned that SIPES National is putting together an "investor list". We need volunteers from our chapter to work on this project ---- please contact me if you can help. The SIPES National Convention will be held June 11-14 in Santa Fe New Mexico ---- let me know if you plan to attend. On May 18 at Andrea's is our final meeting for this session,. It is our annual May dinner. Members may bring one guest, i.e. spouses, dates, etc. Additional guests are welcome at an additional charge. Eric reports that dues for the spring period are 100% paid --once again, thanks for your support of our chapter!

Louis E. Lemarié

Crawfish Boil!

New Orleans Chapter of
Society of Independent Petroleum Earth Scientists
