Chairman’s Column

Last month, our third annual “membership crawfish boil” was a very enjoyable and successful event, attended by 55 members, potential members and guests. The weather was perfect and the Harbor provided us with an abundance of delicious crawfish and beverages. I even saw a few of their gigantic hamburgers being served to the “non-seafood” eaters.

Next month is our final meeting for this session, the May Evening Dinner on May, 15. In last month’s letter, I incorrectly listed the date – it is the third Tuesday. We start at 6:30 with a “happy hour”, followed by dinner which will feature a choice of three entrées, soup, salad and dessert.

Each member may bring one guest (spouse, date, etc.) other guests are welcome at an additional charge.

For this event, we guarantee Andrea’s a number so when Carol calls, please be as accurate as possible.

Last month I mentioned that SIPES National has asked us to contribute to an “investor” list being put together by the Houston Chapter. Carlo Christina has offered to help with this, but we need a few more members to assist. Contact Carlo, or me, if you can help with this project.

On a sad note, we lost two longtime members this past year, when Art Johnson and Will Conatser passed away. Overall, however, our chapter continues to grow with 74 members and affiliates.

In closing, I would like to thank some of the people who helped keep our chapter running smoothly. Cliff Williams for doing an excellent job in lining up speakers; Eric Broadbridge for doing double duty as Treasurer and Membership chairman; David Broadbridge for spreading the word over the internet and with the newsletter and last but not least, Carol St. Germain, our administrative secretary.

We will resume meeting on Tuesday, September 18. Hopefully we’ll have a quiet Hurricane season, and the price of oil will continue its upward trend.
