Chairman's Column

Last month we heard an excellent presentation from Marc Ehrhardt, the executive director of the "Grow Louisiana Coalition". Although he was "preaching to the choir", it is good to know about support groups and their efforts on behalf of the energy industry.

This month on March 17 (St. Patrick's Day) we will have a seminar on SONRIS, organized by Carlo Christina. Eric Broadbridge will demonstrate various uses of the system. This will be an "audience participation" event with examples of accessing and using the site.

Our next two meetings will be on April 21 and the evening dinner on May 19. We are still looking for speakers on these dates, so suggestions are welcome.

Wayne Ezelle's membership application has been approved as our latest member. Welcome Wayne!

Spring dues are due – check and make sure you are current.

We are continuously looking for good speakers; any suggestions will be appreciated.
